For Advanced Math courses:

*Graphing Calculator (TI-84 version)

- You will be asked to cover your textbooks. Please do not buy cloth book covers. They are not always the right size and tend to be harmful to the book itself rather than protecting it. Brown paper bags work well for book covers.
- Also required will be a personal headset or earbuds for use on computers. This doesn't need to be expensive and should be able to fit in a locker/pencil box.
